

REMARKS

Claims 1-26 are pending and under consideration.

The Examiner relies upon Watanabe. However, the U.S. filing date of this reference (June 12, 2003) is later than the priority filing date of the present application (November 13, 2002). Accordingly, Applicant submits a certified translation of the foreign application upon which priority is based.

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
